The Cornwall Election.
EXTRAORDINARY DEVELOPMENTS
OF BRIBERY.
THE POSTMASTER GENERAL IN
THE BOX.

A few days ago we called the attention of our readers to the manner in which the recent election was carried by the "party of purity"—or more correctly speaking, the party which justifies the publication of scurrilous letters, and unkind notices of prominent men. Much mucky whiskey was spread about freely in East, and Cornwall was not behind. In short, this "organized hypocrisy" practiced the same game here in every constituency.

In Cornwall the candidates were both, Giltinan, the personal quarrel and infatuation meeting nominated for the forthcoming election for the Ontario Legislature. Mr. S. S. LASIER, Esq., of Belleville. This action was taken, we believe, owing to the intimation given by the present member, Henry Corby, that he would have him run to be a candidate, a notion which every man in the Riding deeply resents. Mr. Lasier, by the anti-slavery interest he has taken in the Conservative cause in East Hastings, has well earned for himself the honor the party has conferred upon him. He is well known in the Riding, is personally popular, and the interests of the Riding will be safe in his hands, and in case of a contest, we trust the friends of good government will round him out, and elect him by a large majority.

Ontario rifle Association.
OUR OWN MARKSMEN.

The annual meet of this now popular institution opened on Tuesday, the 1st September, and was brought to a close on Saturday, 5th. There were present a large number of prominent persons from all parts of Ontario. Shortly after noon His Excellency the Governor General arrived on the ground, when proceedings were commenced by Lord Dufferin taking the first shot at the target. His Excellency was also present, and the competition, and other events in the day, made a splendid scene close to the bull's eye.

The event of the day was the first or All-Comers match. The number of prizes at this match was 53. There were nearly 400 entries, including 100 from the Ontario service, and 100 from the militia, who competed in all the Shuster-Kellett matches. They did not succeed in winning a single prize, as they did in the Canadian Volunteering competition, but won more than a match for our American friends.

The Volunteers chosen to represent Belleville in the All-Comers competition very creditably in the type contests. Grand Trunk was also well represented, and the success that attended the marksmen who reside in the County of Hastings has been duly noted to the credit of the volunteers.

Mr. THOMAS, of No. 1 Company 49th Battalion, was the first to win a prize in the All-Comers match, with a score of 44 points. Mr. COOPER, 49th Battalion, with 43 points.

The All-Comers Match was next on the order of the programme. There were upwards of 40 Associations represented; 5 officers, non-commissioned officers or men being required to compete in the competition.

The Hastings Volunteer Rifle Association was well represented, and came in 3rd on the list of the All-Comers, with a score of 149 points, losing the Cup and \$50 by three points only. Our marksmen figured prominently in this match, as the following results will show. At the 500 yards range the best result was shown by Mr. COOPER, 49th Battalion, with 49 points.

At the 200 yards range Mr. COOPER, 49th Battalion, scored 13 points out of a possible figure of 30; Mr. S. S. LASIER, Esq., of Belleville, 15 points out of a possible figure of 30; Mr. J. S. MACDONALD, Esq., of Belleville, 13 points out of a possible figure of 30; Mr. COOPER, 49th Battalion, scored 13 points out of the same number. All three were winners of prizes in this match. Bennett and Cooper also took an aggregate prize in this match.

In the District Match Corporal Hilton, No. 1 Company, 49th Battalion, made a splendid score of 40 points, winning the first prize in this match with a score of 45 points; Captain COOPER, 49th Battalion, also won a prize with a score of 34 points, and Captain CROWDER was a prize winner with a score of 33 points.

At the 100 yards range Mr. COOPER, 49th Battalion, was the first to win a prize, as after firing the 200 and 300 yards distance it was found on comparing the scores that he had won the first prize.

At the 50 yards range Mr. COOPER, 49th Battalion, also took a prize with an enter a center and 5 full eyes; Corp. Hilton was again a prize winner with the score of 24 points; Captain COOPER, 49th Battalion, also won a prize with a score of 24 points, and Captain CROWDER was a prize winner with a score of 23 points.

It is to be noted that No. 1 Company, 49th Battalion, failed to win a prize, as after firing the 200 and 300 yards distance it was found on comparing the scores that he had won the first prize.

At the 200 yards range Mr. COOPER, 49th Battalion, again took a prize with an enter a center and 5 full eyes; Corp. Hilton was again a prize winner with the score of 24 points; Captain COOPER, 49th Battalion, also won a prize with a score of 24 points.

BELLEVILLE, FRIDAY, SEPT. 18, 1874.

BE WISE TONIGHT.—"No madness to neglect a cough or cold, however slight. Come symptoms may be slight, and though Dr. Lister's cure of the Cholera has quite cured this much dreaded disease, it is still a wise course to treat the primary disease as the throat, lungs and heart, which remains to fall."

YOUNG, BELL & CO.—Here is a case for you, young man here was very weak, with poor appetite and sallow complexion, without life in animation in his expression. No one could tell him what was the matter, he seemed to be constitutionally declining. He has taken a series of doses of DUREVAN'S MEDICINE, VICTORY, and now he is well, delighted with it. He is a new person, has become quite hearty and well, and is now in full possession of his health. VICTORY in this case.

DR. JAMES MATHER, M.D.—The SYMPTOMS OF MENTAL DISEASE resemble the gradual changes that come over old people, and are similar to those in the decay of the body, and are due to the tendency in the production of a softening of the brain and insanity. The cause is debility of the body, and the mind becomes weak, grows older and mentally weaker when the nervous system is insufficiently supplied with blood, and the brain becomes less active, brain depending upon phosphorized compounds—and those foods which richly supply the brain, such as meat, eggs, milk, etc., will greatly weaken brain power and loss of mental vigor. Dr. Wheeler's Compound Tonic of Phosphorus, Sulphur, &c., contains these agents in an easily assimilable form, constituting a brain and nerve food.

LETTER FROM JOHN MONMURRAY, James, 1874.

Dear Sir—I have recently heard from an invalid of the great benefit derived from your Company's Remedy. It has been of service to many in having to many instances marked the most remarkable improvement in their health, but regard its discovery as a master of the secret to a benign Prove.

I have had the pleasure to correspond with you, during several years past, given it to you, and I have always found your advice and recommendations to others, and invariably found it to be of essential benefit in those cases where it was especially recommended and other remedies failing in effecting instant cures, and in lessening the distressing symptoms of this disease in its early stages, and in restoring the patient's ability in giving time to the system it is undoubtedly the best.
